## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. Claims 1-6 are allowed over the Prior Art of record.
2. The following is an examiner's statement of reasons for allowance: The primary reasons for allowance of independent claim 1 are the inclusion of the specific limitations of a flexible tube containing a solution which is displaced by a pressure, placed within a pipeline, which is measured at the front of the solution in a system and/or method for detecting a leakage in the pipeline employing a localization means for locating the position of the solution front moving within the flexible tube. None of the Prior Art disclose or teach these limitation in combination with one another.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
